

Road Watch in the Pass

Update to Participants - Number 3

With Generous Financial Support from the Woodcock Foundation and Alberta Ecotrust Foundation

Monitoring Wildlife Update

There are currently 27 people participating in the Road Watch Project.

A total of 113 observations have been entered using the mapping tool. Sightings include:

| | |
|-------------------|----|
| Big horn sheep | 27 |
| Cougar | 1 |
| Wolf | 1 |
| Grizzly bear | 1 |
| Black Bear | 1 |
| Elk | 12 |
| Mule deer | 44 |
| White-tailed deer | 12 |
| Deer | 11 |
| Moose | 3 |

A selection of the locations are displayed on the map below. Each point represents one event and does not indicate group size.

Thank you for participating in the Road Watch project. We encourage you to continue entering your wildlife sightings.

What's New at Road Watch

- William Sygutek won the 2nd Road Watch *prize draw*; a framed moose picture and a gift certificate to the Stone's Throw Cafe.
- Janet, the local project coordinator has been invited to attend a Rockies Wildlife Crossing Field Course hosted by the Southern Rockies Ecosystem Project in Arizona. Stay tuned for feedback from Janet on this exciting opportunity.
- Check out the 3D-Map of Blairmore and surrounding area below that includes your wildlife sightings. We will display a different area on the next update.

Coming soon...

- A new layer will be displayed on the mapping tool that includes all sightings for easy viewing (by the end of April 2005)
- Watch for the soon to be released Road Watch magnets.
