I'M A CALGARIAN

SIZE MATTERS!

Big skies. Cowboy hats. 1,200 lb moose. When you see me, respect my space and I'll respect yours.

MOOSE

I GO BIG ON SHRUBS. I'm not looking for a close encounter, I'll be on my way soon. Our city has connected natural spaces that will help me with my travels.

I GO BIG ON FAMILY. When I'm with my calf, I may get extra stressed at your presence. Keep your dogs leashed and don't approach us for a selfie.

I GO BIG ON MY SENSE OF SMELL. My eyesight isn't great, but my nose and ears are. I'll probably smell or hear you before I see you. Help me out by keeping your distance.
